ELITE CAMPS

Our Elite Camps are highly competitive with specific focus on collegiate preparation and educating our younger players on how to train accordingly.

We offer residential camps at the SPIRE Academy in Ohio which acts as our National Training Center. In summer, the camp typically runs from Sunday to Thursday and is aimed at players aged 13 years+. Occasionally we will offer other overnight camps at Regional Training Centers. Commuter options may sometimes be provided. We also are able to specialized goalkeeper camps too if you there is enough interest in your organization.

Alternatively, we also run day camps for elite players 11 years+ at various Regional Training Centers across North America. Again, these are aimed at players at a

competitive level and will focus on collegiate preparation, including classroom sessions.

Both types of camp are part of our Challenger ID Program, which culminates with an invite only National ID Combine, possible international tour and exposure to be added to our Study and Play program.
